## **Dec- 2013 to May- 2014**

AJF is registered welfare organization with its motto of love, peace and unity. As presented by its symbol. Its main aim is healthy family and child welfare. All its activities are oriented towards the same not only at urban level but semi urban and rural level also.

Primary education is the basic right and requirement for the growth of any individual in the society. Akhandjot foundation is looking for this need of socially and economically backward children and is conducting its regular programme on different educational front.

We cover student of First to Seventh standards and they take coaching from expert teacher. Under this programme the school going children are regularly given coaching to improve their academic standards. They are all involved in creative and cultural activities for self development.

The social and economically backward and needy children are called at our centre every day in the morning for two hours before their school. The children are divided into groups as per their standard. Coaching is done in group as well as individual basis. They are provided guidance and help in their home work also. Special coaching is also arranged when the exam are near.

## **Gratitude:**

It can be said that the sponsorship programme which started back in 1986 has provided to be successful to a large extent. At present it is in full fledged. The Sweden base organization family association for intercountry adoption has provided a boon for this courageous attempt by Akhand Jyot Foundation. Such programmes would have not been possible without its help. Akhand Jyot Foundation will always remain obliged to family association for intercountry adoption and our future programmes.

## **Future planning:**

Akhand Jyot Foundation has started new training and income generating units for the economic empowerment of young girls and women. Community based programmes are done to create awareness among women population. Special attention would be given to deal sensitive issues with the physical, mental, and emotional needs of adolescent girls.
