

Dear Marita,

The report of the Day Care Centre

We have closed the Day Care Centre on the 18th of December for Christmas Holidays. Before that we had the year end concert. We had it in a better place and there were good crowd children in the Day care did a fantastic concert and all the parents and visitors who came nearly enjoyed it.

We had the annual trip by small train. As usual we went to Maho and came back. Some of the parents also attended the trip. We had for Poson (in July) like Christmas Carole, a singing program.

Sunday Fair that was held few times this year, the children and parents enjoyed it very much. We also have collected some money to use in an emergency, to take children to doctor or to get some medicine etc.

The roof of the Day Care is damaged some places and I am going to repair it. If you can give us little more money this time it will be greatly appreciated. Some glasses of the windows are broken, when the children play with balls, they threw it towards the windows, and three window pieces are broken, and we may have to repair them.

Few Swedish families visited the Day Care Centre, and donated, pencils, pens, writing materials, chalk and few things to the children.

Jan.20th also there is a family coming to Sri Lanka to find the biological parents. When they come, they may also come to see the Day Care children. Our Day Care Children attended the universal Children's Day celebrations at the Kurunegala Stadium, and won many certificates and presents.

I will attach some photos of the children.

Please send our money as soon as possible.

My Son has a new born baby, at home all of us are now very happy to have him. He has brought lot of fun to our lives and we don't feel the time passing.

Hope all in your family are o.k. I wish you and your family Merry Christmas and a Happy New Year.

Love,

Lalitha.
